

Eight Years of Midland Solar Installations, 2003 - 2011

2003-04

2005

2006

2007

2008

2009

2010

2011

2005 - 2009, Stillman Hall

Five 3-kW arrays meet ~30% of the electricity needs of Midland's kitchen and dining hall, the library, and the administrative building, or ~15% of the whole campus.

2010 - 2011, Well Pumps

Two 3-kW arrays meet ~50% of Midland's well pumping needs, or ~7% of the whole campus

10-10-10 International Climate Action Day, Global Work Party
