Coaching two sports/activities per year
Advising students
Residential supervision duties
Vigorous participation in our rustic lifestyle

Benefits

Salaried (DOE) exempt teaching position
Health insurance
Retirement benefits
9-month per year work schedule
Housing (for many but not all employees)

Minimum Qualifications

B.A. or higher
Passion for teaching biology
Enthusiasm for working with teenagers
Highly motivated, organized, and hard working
Outstanding verbal & written communication skills
Sense of humor and friendly demeanor
Ability to work effectively with minimal supervision
Criminal and driving background check required

Desired Qualifications or Experience

Biology related academic degree
Prior experience teaching biology
Boarding or residential educational environments
Rustic living, experiential & outdoor education
Prior sports coaching experience
Sustainable agriculture
Interest & capacity to teach economics

How to Apply

Applicants should first carefully review the minimum qualifications and the Midland School website. Thereafter, please submit the following three items: 1) One or two-page cover letter that addresses the alignment of your experience and interests with the position and Midland School mission, 2) one-page resume, and 3) a list of 3-5 references. Submit applications via e-mail in the pdf file format to Jill Brady, Assistant to the Head of School, at jbrady@midland-school.org. Correspondence via e-mail is strongly preferred.

We will begin our initial review of applications in late February 2017 and will continue reviewing applications until the position is filled. Finalists will be invited to Midland for a visit, formal interview, and to teach a demonstration class. Start date is mid-August 2017.
